To fill out the details, we simply need the bank account you want the money sent to (verified by Plaid [\(What is Plaid article\)](#) after selecting "Link Account", or manually by entering the Routing and Account Number yourself) and a W9.

If you are a minor, please consult a parent before starting this process.

While you are not required to enter a W9, we will need you to enter one to get paid, so it's better to enter it now, rather than getting a reminder from us later.

One of the last questions you will be asked is to create a Mercury account, you do **NOT** want or need to create a Mercury account.
